Dear Mr. Auxier: *David*

On behalf of the Board, staff and constituents of Pratt Area Community Council (PACC), thank you very much to the New York Gay Pool League for your generous donation of \$1,000 towards the supportive housing that PACC provides for people living with HIV/AIDS.

As you know, PACC has provided supportive housing for the 71 tenants of Gibb Mansion in Clinton Hill, Brooklyn since 2002. Our experienced, compassionate team now includes an MSW, two case workers, a residence manager, and the Director of Social Services. Together, the team is busy providing daily onsite services to our tenants. These services include individual counseling, acupuncture, weekly recovery groups, financial management workshops, and monthly community meetings. PACC has also increased our activity programming at Gibb Mansion with healthy cooking demos, movie nights, and group participation in offsite events such as the annual AIDS Walk...and much more.

Your ongoing support is deeply appreciated. Enclosed please find a copy of our most recent annual report. As always, we look forward to keeping you updated on PACC's work during the coming year.

Sincerely,

Deb Howard
Executive Director
