Dear David,

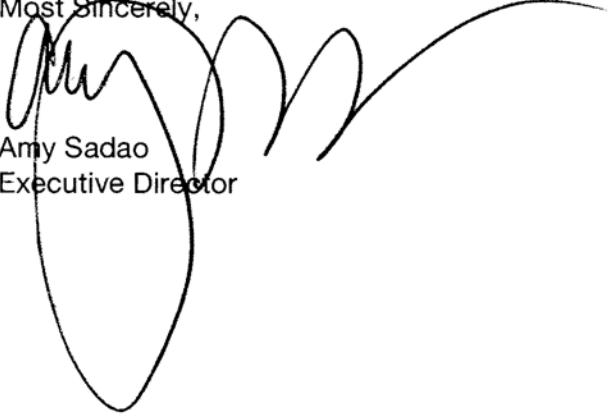

Happy summer and it is my great pleasure to write on behalf of the board, staff, and the artists of the Archive Project at Visual AIDS to offer my sincere gratitude to the New York Gay Pool League for its June 30, 2010 grant of \$1,0000. Your donation will support Visual AIDS work utilizing contemporary visual art to promote dialogue about HIV/AIDS and our work historicizing the work of HIV-positive artists.

It is enormously encouraging for us to have the League's continued approval and support. Over the eight years of my tenure at Visual AIDS, I often cite NYGPL when asked who funds our work. That queer New Yorkers and social groups continue with their commitments to see an end to AIDS is truly heartening. Please extend our thanks to the officers and all in the league and know that you are considered an essential part of Visual AIDS.

We state that no goods or services were provided by Visual AIDS in exchange for your donation.

We have recently launched a new HIV-prevention artist edition for free distribution. I enclose samples of the Play Smart trading cards. If you think the League would like to distribute these or place them in the venues where they play, please contact me or Nelson Santos at (212) 627-9855 or [nsantos@visualAIDS.org](mailto:nsantos@visualAIDS.org). Given its sporty theme, we thought the League would be a great partner.

Most Sincerely,

  
Amy Sadao  
Executive Director
