Dear Mr. Kleiman:

Friends In Deed is in receipt of the New York Gay Pool League's very generous \$1,000 grant (dated June 30, 2013, check no. 270) in support of our general program. We sincerely thank you for this wonderful gift.

As you know, Friends In Deed is a registered 501(c)(3) tax-exempt organization. The New York Gay Pool League's \$1,000 donation, in return for which your organization has received no goods or services, is tax deductible to the fullest extent of the law.

Since 1991, Friends In Deed - The Crisis Center for Life-Threatening Illness - has been at the front lines supporting anyone affected by HIV and cancer. This work is as urgent today as it was in then. The AIDS crisis is not over. The cancer epidemic continues to grow. Each week, people arrive at our door newly diagnosed with HIV, breast cancer, leukemia, and other life-threatening physical illnesses, and we expand our efforts as the need arises. *All services offered by Friends In Deed are free of charge.*

The New York Gay Pool League's continued generosity makes this work possible, and helps guarantee that as long as people are in need, Friends In Deed will be there for them. Thank you.

Warmest regards,

Robert McNamara
Managing Director
