Dear Mr. Kleiman,

Thank you so very much for the gift of \$1,000 made on August 6<sup>th</sup> from the New York Gay Pool League to God's Love We Deliver. Your continued support for our mission improves the well-being of thousands of individuals and families affected by serious illnesses.

Your generosity ensures that we can stay true to our founding principles of never having a waiting list, offering our services free of charge, and delivering nutritious, freshly prepared meals on the next delivery day to anyone living with a life-altering illness who calls us for help. Your support also allows us to provide meals for the children and senior caregivers of our clients who are at risk for malnutrition and hunger.

In our 28<sup>th</sup> year, we are now cooking and delivering over one million meals to a record number of clients annually. Our ability to fulfill the continuously increasing demand for our critical services would not be possible without the commitment of friends such as the New York Gay Pool League.

As we grow with the needs of the community, we would also love to show you how your generous support enables God's Love to cook and home-deliver more than 4,600 meals to 2,400 clients each weekday. If you would like to visit us, please contact Jillian V. Sandoval de Castillo, Manager of Corporate and Foundation Relations, at (212) 294-8151 or [JSandoval@glwd.org](mailto:JSandoval@glwd.org).

Thank you very much for your caring spirit.

All my best,

Karen Pearl
